Dear Sir/Madam,

Makers Lab of **Sandbox Startups,** are hosting "**Alexathon**": a workshop with hands-on coding experiences. In association with **Amazon Alexa**and **Valid Testing Solutions**, in this context, they have Tech leads of **Alexa,Amazon India** team, who will be handling 8 hours **workshop** and followed by 16 Hours **Hackathon** on building voice-based modules/applications.
Event Details:

- 8:30am to 9:30am Registration and Verification
- Closing Ceremony 18th August 2018 Saturday, 12 PM to 1PM.
- Last Date to Apply 10th August 2018.
- **Registration Link: http://sandboxstartups.org/alexathon**

Who Can Apply:

- 3rd and 4th Year CS and IS Students and Professional Software Developers
- Should Know **Java** and **Javascript** Language
-

Students will get the chance to win exciting prizes worth up to1 lakhfor 3 teams. An event of 24 hours for thedevelopersto solve the problems by coding.
Brief Intro About Makers Lab:
A work space for practical exposure to technology, experimentation, fabrication, and prototyping. The space is intended to support product startups; foster innovative and efficient engineering projects; and nurture a community of makers within the Sandbox Startup Entrepreneurial ecosystem.
