

Workshop on "Syllabus and Curriculum Review of Civil Engineering"

(AKU, Patna)

Organized By
Department of Civil Engineering
Muzaffarpur Institute Of
Technology, Muzaffarpur BIHAR
– 842003

Date: 18th August, 2018

ABOUT THE COLLEGE

M.I.T.Muzaffarpur came into existence on 25th September 1954, just seven years after independence of India. The institute is under administrative control of Department Of Science and Technology, Government Of Bihar. MIT Muzaffarpur is an AICTE approved institution and affiliated to Aryabhatta Knowledge University, Patna.

ABOUT THE DEPARTMENT

Civil Engineering Department is the oldest department since inception of institute. Department has nineteen faculties, having wide areas of experience in teaching, industrial consultancies, projects, and quality control testing works. Currently department offers four year undergraduate programs and shortly starting the postgraduate courses.

WORKSHOP OBJECTIVES

- To review the curriculum of the Civil Engineering course for undergraduate program.
- To review the syllabus of the different subjects of Civil Engineering for undergraduate program.

WHO CAN ATTEND?

All faculty members of Bihar state engineering colleges and institute of national importance having background of civil engineering and related field.

CURRICULUM AND SYLLABUS

'Curriculum' is a Latin term used for overall course. It indicates the overall content taught in an educational system or a course. While, 'syllabus' is a Greek word used for a particular subject of a course. It is the document that contains all the portions of the concept covered in a subject. A syllabus functions as a contract between teacher and students. Curriculum is heart of any learning institution. Curriculum design is a dynamic process due to the changes that occur in our society.

Review of the curriculum and syllabus is important for benefits of the stakeholders of program. 'Aryabhatta Knowledge University' is reviewing the curriculum and syllabus of different undergraduate course of engineering as per model and suggestions given by AICTE. MIT Muzaffarpur is reviewing the curriculum and syllabus for Civil Engineering undergraduate program. This workshop is a part of the reviewing process.

GENERAL INSTRUCTIONS

- Participant have to first go through the model curriculum for undergraduate course prescribed by AICTE. AICTE guideline will be base of the review.
- Participates are requested to take feedback from their departmental colleagues, students and stakeholders.
- For participant TA/DA will be provided.
