

Department of Electrical Engineering

Vision of the Department

To produce cutting edge Electrical Engineers, innovators, researchers, and entrepreneurs with high human values to serve society, industry, nation and the world.

Mission of the Department

To create state-of-the-art facilities for under-graduate, post- graduate and R&D work.

To cater the needs of society with recent technologies, innovative ideas and inculcate ethical responsibilities.

To develop strong collaborative links with premier industries, institutions and the government agencies.
