SPIU Officials

Dear Madam/ Sir,

Please find enclosed request letter of UGC for participation in Swachh Campus' ranking. The detail information is also available with the letter.

Environmental Management Framework (EMF) is one of the important part under TEQIP-III and the World Bank expects to have EMF in place at project institutions so that there may be more Green Campuses.

Therefore, SPIUs are requested to direct their institutions (1.1 and 1.3) for participation in the 'Swachh Campus' Ranking.

Thanking you with regards,

Prakash C. Kuniyal PhD

Academic Specialist & Admin

National Project Implementation Unit (NPIU)

Ministry of Human Resource and Development, Govt. of India
