MUZAFFARPUR INSTITUTE OF TECHNOLOGY, MUZAFFARPUR, BIHAR – 842003
(Department of Science & Technology, Govt. Of Bihar)

NOTIFICATION

Department of Electronics & Communication MIT, Muzaffarpur is organizing five days workshop on **"Robotics & Electronics with Arduino"** during **September 11-15, 2018** for the students of 3rd and 4th year. This workshop aims to provide a comprehensive theoretical and hands on practical experience on Arduino. Arduino enables learners to innovate from designing a connected object for their own home to launching a prototype of a product for their own business. The workshop will cover projects based on Artificial Intelligence, Home Automation and Intelligent Path Tracker.

Registration Details:

- Registration will be done on "First Come First Serve" basis.
- Date   :   8th September, 2018
- Venue :   Ground Floor, Super I-way Lab
- Timing: 02:00 PM to 03:00 PM
