06/04 Approval of GATE Coaching

AS per guideline and vendor lists provided by NPIU, quotations were invited for GATE coaching to final year students and following two firms were given order.

GATE Academy

Engineers Academy

Both the firms after getting the offer showed their inability in signing the contract agreement and running the course with their quoted price citing the following reason: Institute was supposed to place the order within 45 days, but the order was placed beyond this stipulated period. Date wise activity carried out for this process is as under:

Quotation invitation- 23.06.18

Last date of bid submission-07.07.18

Central purchase committee meeting-28.07.18

Offer letter and signing of contract agreement-06.09.18

Under this circumstances quotations were again invited on 12.09.18 and after 14 days the central purchase committee meeting was conducted on 27.9.18 to finalise the lowest bidder.

Submitted for information, discussion and approval

Resolution: Based on the rate quoted during first round, Gate Academy was given order for Civil, Mechanical and Electrical branch whereas Engineers Academy was given for EC and IT and LT for GATE coaching on 05.09.18. But these firms have shown their inability to run the course since the order was not placed within 45 days from the last date of bid submission i.e. on or before 21.08.18. Hence 2nd round of bidding was called on 12.09.18, and based on the lowest rate, Engineers Academy was selected for GATE coaching of all branches, but the variation in the rate between the first and second round is more than 67% (Rs.11,139/- per candidate), hence BOG decided not to place the order to this firm. BOG agrees to place the order if the variation is within 15%, hence authorized to Principal to seek direction from NPIU stating all the facts. BOG also requested to SPIU to apprise NPIU about the discussion in the upcoming meeting of MHRD scheduled on 15th Oct., 2018. It was also decided to request to the NPIU that newly appointed teacher based on Gate qualification should be asked to take the special gate class and should be paid honorarium or some expert if ages may be called for extra Gate classes. The honorarium can be paid as per NPIU norms.
