The poster for the Smart City Hackathon features a central illustration of a city on a smartphone screen. At the top, logos for the International Institute of Information Technology Hyderabad, TSDSI, India-EU ICT Standardisation, and ETSI are displayed. The main text reads: "Call for participants for oneM2M Developers Tutorial + SMART CITY HACKATHON" with dates "27-28 Oct 2018 | IIIT-Hyderabad" and an event link "https://bit.ly/2NB75sG". A blue starburst graphic states "Fully paid EU\* trip for winning team". A text block explains the Smart City Mission and the event's goal. Below this, a red box details the first round: "Candidates will be judged based primarily on the online response to challenges posted and other applicant parameters. Application deadline: 5 Oct 2018, IST 11:55 PM." Another red box details the second round: "15 teams 4-member teams will be shortlisted and invited to participate in the hackathon. Shortlisted candidates will be notified by Oct 10 2018." A dashed box explains team formation: "The sixty participants will be grouped into teams of 4 each. Hence, 15 teams will be competing for the prize." Two testimonial boxes provide links to the Feb 2018 winning team testimonials. A box on Intellectual Property Policy states: "The organizers will have no claim to the idea/solution presented by the team." The faculty coordinator is Dr. Sachin Chaudhari. At the bottom, logos for the European Union, oneM2M, LAAS CNRS, IIT KANPUR, and the India m2m + iot forum are shown.

**Idea Submission Deadline  
(1<sup>st</sup> Round of 2 Rounds):  
05-10-2018, 11:55PM**
