Internships for 1st Year Students

Dear Students,

Internshala is an internship and online training platform. The website helps students find internships with organizations in India. It offers large numbers of courses for Summer Training & Winter training. It also provides you opportunity to find a suitable internship. You may work from home, part-time, or full time. It is there to cover up all.

Students from first year (any branch/ stream) are required to register and apply by visiting [here](https://internshala.com/internships-for-1st-year-students?utm_campaign=firstyear_homepage) or the link given below. Last date to register and apply is **30th November 2018**.
