Dear Students,

Internshala has launched India's Largest Online Campus Drive having 400+ internship openings with job offers which is now open for our college. In this 5-day internship-cum-placement drive the students will get a chance to intern with a company for a duration of 4-6 months, and based on the performance during the internship, they can convert the internship into a full-time job with a minimum CTC 3 lac+.

Students from final year (any branch/ stream) and recent graduates are required to register and apply for the online campus drive by visiting [here](http://bit.ly/oed_tnp) or the link given below. Applications will be accepted until **midnight, 18th November**.
