Smart India Hackathon 2019

Dear Students,

You all are now aware of Smart India Hackathon 2019 through workshops conducted in the institute and SIH web portal. It is time to register the teams for solution submission.

All the teams are required to submit the details in specified format only. You can download the file from any of the links given below.

https://www.dropbox.com/s/njri21wbo0y9wfz/TeamRegistrationFrom.doc?dl=0

OR

https://drive.google.com/file/d/1x_oUXBSVmdIO8npg6Ovo6FHeoSJDnkFM/view?usp=sharing

After downloading, add your details without any mistake. Remember, the first member of the team is also the team leader. Team size must exactly be six. There must be atleast one girl member in the team. All the communication with the team will be done through the team leader only.

After adding and saving your details in the file, rename it to "TeamName_RollNoOfTeamLeader". For example: If a team name is "TechCody" and the team leader Roll Number is 14IT01, your file name must be "Techcody_14IT01". After adding, saving & renaming, upload the file to the link given below.

Only one file per team should be uploaded. Only the team leader should upload the file.
