Dear Sir,

Internship Scheme 2019-20
Selection of Interns

We have pleasure in advising that our Bank runs Internship Scheme wherein students pursuing various educational courses are selected and attached to a project selected by the Bank for normally 8-10 weeks duration with stipend. The interns are selected through a process of interview / group discussion (if necessary). Project work is offered for a maximum period of 10 weeks, with extension in exceptional cases. A stipend of Rs 12000/- (A) per month is paid uniformly to all interns. On submission of project report, the certificate of internship as per the format of the Educational Institution is given by the bank to the interns.

2. In this regard, we would be immensely obliged if you provide us the opportunity to select your bright and enthusiastic students (02 to 10 in numbers) as summer interns in our bank. We may arrange for conduct of interview / group discussion at your campus or at our Local Head Office, Patna as per our mutual convenience at the earliest.

3. We look forward to a favorable response from your end.

With regards,

(Ajitav Parashar)
