

Govt. of Bihar

Muzaffarpur Institute of Technology (MIT), Muzaffarpur

(Under the Department of Science & Technology Govt. of Bihar, Patna)

Dear Students,

Internshala is hiring students for our 70-day transformational program - Internshala Student Partner (ISP 14). ISP 14 is a work-from-college program where students will be selected from every college of India and will be taught essential skills like Public Speaking, Networking, Time Management & Customer Service in just 70 days. The purpose of the ISP program is to help every student get hired for an internship which will improve your overall internship-placement scenario.

Selected students will raise awareness about internships and online trainings in the college by taking part in various activities planned by Internshala. For each activity, performance-based financial incentives will be given to ISPs (a total of 25 lakhs over 70-days) and a prestigious letter of appreciation will be provided at the end of the program.

Students need to visit the link given below to fill the details and submit the application form.

internshala.com/i/ISP38439

Every student of the college is eligible to become an ISP, therefore, All of you should try to grab this opportunity.

The last date to apply is 18th May 2019.

All the best!
