Standard Operating Procedure (SOP) - NCS Offline Application for Registration of Jobseekers / Students

Introduction about NCS

The Directorate General of Employment, Ministry of Labour and Employment is implementing the National Career Service (NCS) Project to address the gaps in the employment market by strategic interventions and partnership with leading institutions/universities and organizations.

2. National Career Service is a common platform that brings together stakeholders like Job Seekers, Employers, Counsellors, Local Service Providers, Skill Providers etc. and facilitates job postings, job search, shortlisting of candidates based on different parameters like qualification, college, city, state etc., sending out interview requests, selection of candidates, etc. These services are provided free of cost on NCS portal.

Scope of Integration with NCS

3. Students of colleges and universities may be registered on the NCS Portal as jobseekers using an offline application to access the various career related services available on the Portal. The instructions for using NCS offline application are as follows:
