## Imagine Cup – 2020

Dream it. Build it. Live it.

### Notice: - Information for Participation

Dear Students

Microsoft's [Imagine Cup](#) is a global technology competition that empowers students to create applications that shape how we live, work, and play. Every year, teams from around the world compete for the chance to showcase their work, win free travel, mentorship from Microsoft experts, priceless networking opportunities, and other great prizes. The Imagine Cup is looking for the best and brightest tech solutions from students who want to share their passion to improve the world around us.

Students have made the institute proud by regularly participating in technical activities and winning various competitive and innovative competitions. Keeping learning and innovation above all for ourselves and welfare of society, students of the institute are hereby informed to participate in this event with full potential.
