Dear Madam / Sir,

Bharatiya Chhatra Sansad Foundation, Pune has been organizing a national conclave every year at Pune, with active support from the Union Ministry of Youth Affairs & Sports, Government of India; Ministry of Higher & Technical Education (Maharashtra) and Association of Indian University (AIU). The platform is absolutely non – political and does not engage in any mainstream party politics.

The Conclave encourages independent thinking and socio-political initiative in young student and facilitates learning of crucial social and political skills. The students are encouraged to understand the importance of citizenry and their participation in democratic processes.

On reaching the milestone of its 10th year, the annual edition of the conclave in 2020 will be a 4-day the affair, which will be organized during February 20th to 23rd, 2020, at Vigyan Bhawan, New Delhi. In view of the significance of the event, the importance of cause and effectiveness of discourse, it is advised to nominate 5 spirited students from your college to participate in this conclave.

For further information or clarification, the office of the founder & convener, Shri Rahul V. Karad can be directly contacted on 9881721353, 8888815421/22/24/25 and info@bharatiyachhatrasansad.org .The online registration can be done on the website [www.bharatiyachhatrasansad.org](http://www.bharatiyachhatrasansad.org)

In the view of the above, please find the attachment of the letter.
