&

Dept. of Civil Engineering

Under

Earthquake Safety Week

Date: 28th January, 2020

ABOUT THE COLLEGE

M.I.T.Muzaffarpur came into existence on 25th September 1954, just seven years after independence of India. The institute is under administrative control of Department Of Science and Technology, Government Of Bihar. MIT Muzaffarpur is an AICTE approved institution and affiliated to Aryabhata Knowledge University, Patna.

DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering Department is the oldest department since inception of institute in 1954. Department has multifaceted faculties having wide areas of experience in teaching, industrial consultancies, projects and quality control testing works. Civil engineering enjoys the privilege of eight well established dedicated laboratories for different areas of specialization.

ABOUT THE MITRA CLUB

Based on the interest of the Bihar State Disaster Management Authority (BSDMA), MIT Muzaffarpur has been chosen for one of the “*Earthquake Safety Clinic & Centre*”. The main target of MITRA club is spreading the disaster mitigation, preparedness and response awareness through activities in the society and promotes the “culture of safety & preparedness” to the students.

OBJECTIVES

- ✓ Disaster safety Awareness among society.
- ✓ Management and Preparedness skill in disaster.
- ✓ Safety Practices followed during Mock drill exercise.
- ✓ Developing teamwork abilities.
- ✓ Case studies Discussion on innovative ideas, Technical paper and video presentation of real disasters.

EQSC & Centre, MIT Muzaffarpur
