FOSSEE (Free/Libre and Open Source Software for Education)

Notice: - FOSSEE Summer Fellowship 2020

Dear Students

FOSSEE (Free/Libre and Open Source Software for Education) project promotes the use of FLOSS (Free/Libre and Open Source Software) tools to improve the quality of education in our country. The FOSSEE project is part of the National Mission on Education through Information and Communication Technology (ICT), Ministry of Human Resource Development (MHRD), Government of India. The aim is to reduce dependency on proprietary software in educational institutions. It encourages the use of FLOSS tools through various activities to ensure commercial software is replaced by equivalent FLOSS tools.
