NATIONAL INITIATIVE FOR TECHNICAL TEACHERS TRAINING

Sir,

A "Comprehensive Training Policy for Technical Teachers" under the initiative of AICTE towards Govt of India MHRD's 100 day initiative was released on 11 Sept 2019 by the Hon'ble Minister MHRD for promoting quality of technical education in the country.

This brings out character building, important facets of new teaching methodology and better and innovative means of transferring knowledge from one to another as against the existing refresher courses / domain specific courses being imparted. Towards this, eight online courses have been prepared in collaboration with NITTTRs **which have since been included in gazette notification for 7th pay commission, as applicable mandatorily to new inductee teachers and teachers into service with less than five years of experience:**

1. Orientation towards Technical Education & Curriculum Aspects.
2. Professional Ethics & Sustainability.
3. Communication Skills, Modes and Knowledge Dissemination.
4. Instructional Planning and Delivery.
5. Technology Enabled Learning and Life-long Self-learning.
6. Student Assessment and Evaluation.
7. Creative Problem Solving, Innovation and Meaningful R&D.
8. Institutional Management & Administrative Procedures.

This initiative which is first of its kind in the world is poised to be a game changer. A user friendly portal www.nittt.ac.in enabling fresh inductees and the teachers to log in and register was launched on 12 Jan 2020 by Shri Ramesh Pokhriyal 'Nishank' the Hon'ble Minister MHRD in the presence of AICTE officials in a glittering ceremony held at Graphic Era University in Dehradun. The portal is user friendly and self-explanatory with built in features of compatibility with Swayam platform.
