Patna, Date: - 6-3-2020

From,

Director,
Dept. of Science & Technology,
1st Floor, Technology Bhawan,
Bailey Road, Patna - 800001

To,

The Principal,

All the Govt. Engineering Colleges, Bihar.

Subject: Internship Training of Engineering Students Summer: 2020 (May-July) at 505 Army Base Workshop, New Delhi - Regarding.

A letter has been received from 505 Army Base Workshop, EME, Delhi Cantt. - 900106, by the Department of Science & Technology, Govt. of Bihar regarding the **"Internship Training to the Engineering Students Summer : 2020 (May - July) at 505 Army Base Workshop, EME, Delhi Cantt. - 900106.** As it is very old and famous Army base workshop which is the part of the Army Ordinance Corps., and it is responsible for storage and supply of vehicles, associated equipment and spare parts to the Indian Army. It has been informed by the concerned authorities of the workshop that the following branches of Engineering.

1. Production / Mechanical Engg (ME).
2. Electronics & Communication Engineering (ECE).
3. Mechanical & Automobile Engineering (MAE).
4. Electrical & Electronics Engineering (EEE).
5. Tool Engineering (TE).
6. Computer Science & Engineering (CSE).
7. Information Technology (IT).

In this regard concerned Principals of all Engineering colleges are directed to convey the information to the Training & Placement Officers & Coordinators of Training & Placement Cell to make a list of interested and eligible students (2nd Year / 4th Semester & 3rd Year / 6th Semester) to participate in the selection procedure and to utilise this great opportunity.

Kindly go through the attached letter where the tabular form (**ANNEXURE - I**) provided to prepare the list of the students and send the same to the department on or before **09-03-2020**, so that the list can be send to the concerned authorities of **505 Army Base Workshop, EME, Delhi Cantt.** to select the students for the above said training program.

Yours Sincerely,
05-03-2020
(Sanjeev Kumar, IAS)
Director.

**INTERNSHIP TRAINING OF ENGINEERING STUDENTS
SUMMER : 2020 (MAY-JULY) IN 505 ARMY BASE WORKSHOP**

1. History of 505 Army Base Workshop dates back to 1940, when it began as COD Workshop on the recommendation of 'Experts Committee Report' of Defence of India' by Sir Charfield. The Workshop was then designed to handle third line repairs of Mechanical transport vehicles. Being part of the Army Ordnance Corps, the workshop was also responsible for storage and supply of vehicles, associated equipment and spare parts. The workshop was therefore organised into Vehicle Holding Group, Mechanical Transport Stores Group and Tools Group. The Base Workshop always played a crucial role in overhauling of Armoured Recovery Vehicle starting from Churchills in 1945, stuaarts in 1952, shermans and centurions in 1959 and french AMX in 1961. Workshop's commitment in 1970 shifted to overhaul Vijayanta Tanks, Vijayanta Armoured Recovery Vehicles and 105mm Support Gun ABBOT. Government sanction was obtained in Sep 2004 for creation of overhaul facilities for Tank T-72 at this Base Workshop. This Base Workshop has been awarded with the QMS cert of IS/ISO 9001:2015 wef 24 Dec 2018, another landmark achievement of the Army Base Workshop has been the pilot overhaul of three Tanks T-90, This Production facility is a National Strategic Asset.

2. Practice School-I (Internship) for students of your reputed Institution has been organized in past and the students have not only enriched themselves with practical knowledge but also they have contributed towards improvement of process, procedures & product and thereby Nation building.

2

3. Year on year students from IITs, BITs, IIITs, and other colleges have done their internship in this facility and they have been enriched with the institutionalised knowledge of this great facility.
4. You are requested to forward the following details in respect of your students so that the planning for the course/Internship can be done:-

Ser No	ID No	Name	Stream	Semester	AIEEEE/IITJEE Rank	%age/CGPA till last Semester

5. It has been observed that only Production Engineering/ Mechanical Engineering (ME)/Electronics & Communication Engineering (ECE)/ Mechanical & Automobile Engineering (MAE)/ Electrical & Electronics Engineering (EEE)/ Tool Engineering (TE) etc. students have been detailed by your Institute for Internship in past. It is submitted that this organization will be happy to conduct Internship for students of Computer Science and Information Technology also.

With Best Wishes

Yours
