Bihar

Subject: SC-ST candidates encouraged to startup

Respected Sir/ Mam,

The humble request is that we want to encourage all SC-ST students in your college in which start our startup, ideas and innovation.

If the student in your college university are interested in Startup ideas innovation new technology especial artificial intelligence, brain mapping, artificial neural network, digital video recorder system, Robotics engineering, Drone system, etc

The Dalit Industry Association for startups is focusing on these areas.

- Simplification and Handholding
- Funding Support and Incentives
- Industry-Academia Partnership and Incubation

The Dalit Industry Association will assist you to create a single point of contact for the entire Startup ecosystem and enable knowledge exchange and access to funds.

With Best Regards

Your's Faithfully

(Er.Chandan)
