NATIONAL INITIATIVE FOR TECHNICAL TEACHERS TRAINING

Sir / Madam,

A "Comprehensive Training Policy for Technical Teachers" under the initiative of AICTE towards Govt of India MHRD's 100 - day initiative alongwith a user friendly portal www.nittt.ac.in enabling fresh inductees and the teachers to log in and register was launched by Shri Ramesh Pokhriyal 'Nishank' the Hon'ble Minister MHRD in the month of Jan 2020. Second set of registration is open and teachers as applicable can register for undergoing the online modules.

The policy brings out character building, important facets of new teaching methodology and better and innovative means of transferring knowledge from one to another as against the existing refresher courses / domain specific courses being imparted. Towards this, eight online courses have been prepared in collaboration with NITTTs **which have since been included in gazette notification for 7th pay commission, as applicable mandatorily to new inductee teachers and teachers into service with less than five years of experience as on 01 March 2019:**

1. Orientation towards Technical Education & Curriculum Aspects.
2. Professional Ethics & Sustainability.
3. Communication Skills, Modes and Knowledge Dissemination.
4. Instructional Planning and Delivery.
5. Technology Enabled Learning and Life-long Self-learning.
6. Student Assessment and Evaluation.
7. Creative Problem Solving, Innovation and Meaningful R&D.
8. Institutional Management & Administrative Procedures.

This initiative which is first of its kind in the world is poised to be a game changer. It is requested that maximum new inductee teachers and teachers into service with less than five years of experience be advised to register under this initiative of AICTE. **It is further highlighted that registration is mandatory on NITTT.AC.IN domain for the purposes of certification, which in turn as per gazette notification for 7th pay commission is applicable for the purposes of probation / promotion.**
