of Information Technology)

ABOUT MIT MUZAFFARPUR

M.I.T. came into existence on 25th September 1954, just seven years after independence of India. It was inaugurated by Sri C.P.N. Sinha, then governor of East Punjab. Initially it was started with Civil Engineering discipline with a batch of 45 students as 1954-55 batch with the name 'College of Civil Engineering, Muzaffarpur'. On 21st April 1956 the first prime minister of India Pd. Jawaharlal Nehru laid down the foundation stone of main building. Electrical & Mechanical Engineering branches were added from session 1960-61 and the institute was renamed as Muzaffarpur Institute of Technology. Pharmacy and Leather Technology were added in 1978 and 1986 respectively. Information Technology and Electronics and Communication Engineering disciplines were introduced in 2001.

ABOUT THE DEPARTMENT

The department has been offering B.Tech degree level Program in Information Technology since 2001 with an intake of 42. The department takes immense interest in conducting professional activities such as organizing workshops, seminars and expert lectures to meet the challenges in the IT industry . The future agenda of the department is to further augment these professional activities

Our students are highly sought after by the software industry and many of our graduates are holding top positions in IT industry all over the globe.

ABOUT THE WEBINAR

Internet of Things is a collection of interrelate computer systems , mechanical and digital devices that have the ability, without human-to - human or human-to - computer interference, to transfer information through a network Thinkspeak cloud can be used for the monitoring and controlling of the devices through online. This webinar is on Internet of Things using Thingspeak.

REGISTRATION DETAILS

No registration fees

Register using the link given below:

<https://forms.gle/Tu1QyVcwdoYjgE9Z7>

Last Date of registration: 20 August till 8pm.

WHO CAN PARTICIPATE

Faculty members and students of Department of Information Technology.
