ROCEDURE TO PARTICIPATE-

The aptitude assessment test will be conducted online. The training and placement officer will register the college/University, for which he/she shall get a unique sponsor ID which is further to be distributed among candidates at the time of the online test. The exam will be of 30 minutes duration. The students can participate through respective Training and Placement department of their College/University.

Students should be requested to fill the names as per their old certification/s.

How to apply?

"e – Apprenticeship 2020-21"

<http://eapprenticeship.rapsitech.com/>

<http://eapprenticeship.rapsautomotive.com/>

Step I: For Registration click:

[http://eapprenticeship.rapsitech.com/college_reg.php /](http://eapprenticeship.rapsitech.com/college_reg.php/)

http://eapprenticeship.rapsautomotive.com/college_reg.php

After completion of the registration by the training placement officer a unique sponsor ID will be provided by us. The students if sponsored have to input the same given ID for registration along with other required details to get started with the test.

Instructions: 30 minutes duration, 30 questions, each question carries one mark with no-negative marking.

Step II: Click on the URL for Candidate registration

<http://eapprenticeship.rapsitech.com/registration.php>

<http://eapprenticeship.rapsautomotive.com/registration.php>

Candidate Login- Candidates must fill all the necessary details with the unique sponsor

ID provided to them by their TPO/HOD (If sponsored)

After successful conduction of the online exam, initial offer letters will be distributed to the candidates falling in the "FOX" category (Refer to result criteria) and shining through the interview with exceptional knowledge and communication skills.

RESULT CRITERIA-

The result of the exam will be displayed immediately to the students after the test in the same screen to the student.

The test result has 3 result settings namely categories –

1. Snails – Failing in the test (below 75% / Grade C)
2. Rabbit – Average in the test (below 85% / Grade B)
3. Fox – Those passing the test (above 85% / Grade A)

The result will also be displayed to the TPO immediately after the exam in his login area inside the e-Recruitment.

Candidates falling in the "FOX" category, besides appearing in the e-Recruitment online exam are required to appear for telephonic/Skype interview online within a considerable time of an hour or two after discussion between the company officials and the T&P cell in-charge.

Note: If in case there is no candidate in the FOX category, company may decide to unveil the Rabbit category and may interview top Rabbit candidates close to the FOX category with a margin of (0.5%).

We appreciate your precious time input and are looking forward to hire budding aspirants from your organization.
