

**MUZAFFARPUR INSTITUTE OF TECHNOLOGY,
MUZAFFARPUR-842003**

Ref. No. 508/ME

Dated: 03.07.2021

Notice

Department of mechanical engineering is going to start the **Gate Result improvement program (GRIP)** for the students of department of mechanical engineering. In this program, different tests and discussion classes will be held as per Gate syllabus of mechanical engineering. All are directed to register in this program through the given link of registration.

Organiser and Coordinator: Md. Irshad Alam

Faculties and allocated subjects:

1. Md. Irshad Alam : Strength of material, engineering mech. & Engineering mathematics
2. Mr. Ankit Kumar : Applied thermodynamics and fluid mechanics
3. Mr. Amit Kumar : Thermodynamics and H.M.T
4. Mr. Santosh Kumar : Manufacturing technology
5. Mr. Amit Kumar (New): Theory of machines and Dynamics of machinery
6. Mr. Narayan Kumar : Engineering mathematics and Aptitude
7. Mr. Gaurav Kumar : Machine design and Dynamics of machinery
8. Mr. Jigesh Yadav : Strength of material and Industrial engineering

Link of registration (For 4th Semester onwards):
