As you are aware, All India Council for Technical Education has been mandated under the AICTE act 1987 to ensure maintenance of norms and standards with repaid to technical education in the country. In technical education by the institution so that quality is not compromised and stakeholders are satisfied. The Council also undertakes Annual Inspection of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be complacent about taking steps to remedy the deficiences.

In case of Government/Government aided institutions/Universities departments, the Council has been specially supportive and sympathetic on account of the fact that Government institutions provide technical education at a reasonable cost besides transparent admissions. It is however a matter of repret that many such institutions suffer from crinical deliciencies of faculty and other requirements. Feed back of students with regard to holistic appraisal during impactions, have also pound our access durings in key areas volving, extensive transitions.

Your institution, on appearsal, has been found to be suffering from several deficiencies, which are listed in Annexure-A for your perusal. Non-availability of faculty is the most serious one.

The deficiencies, particularly with reference to faculty, are of grave concern to the Council. Inspite of this is been decided that approval in respect of your institution for the year 2005-06 as indicated below, be given shall monitor progress in this regard carefully deficiencies, particularly shortage of faculty.
