All teams are required submit their project synopsis. Synopsis should include Project Title, Domain of the project, Team Details, Guide details, abstract of the project, Technologies that will be used, Objective, Timeline and benefits & limitations of the project. Only after approval of the proposed project (with or without modifications), students shall proceed with it.

In the view of synopsis submission for the project, students are hereby instructed to meet (online/offline) respective project guide and discuss before submitting it. The last date to submit the synopsis (Email/Printed Hard Copy) is 17th Dec 2025.

Please Note: -
1. Project must contain minimum of 500 SLoC written by the team.
2. Project must not have more than 25% database (Local/Remote) and it must have minimum 40% user interface and 35% middleware/logic if it is not a research project.
3. Canva/Static Image based/similar UI Designs will not be considered for evaluation.
4. WordPress template based or configuration project will not be accepted.
