Ref. No. - MIT/IT/26/09   Date: 12th Jan 2026

NPTEL Course NOTICE for Batch 2024

This is to inform that NPTEL course enrolments have started. All students and faculties can enrol in any course based on their interest and mandatory NPTEL Course as per university curriculum. There are 3 types of courses based on number of weeks and recommended credits.

  A) 4 Week Course - 1 Credit
  B) 8 Week Course - 2 Credit
  C) 12 Week Course - 3 Credit

◆ Link to the courses - https://swayam.gov.in/NPTEL

◆ NPTEL Timeline - Jan-Apr 2026

1. About **Mandatory NPTEL Course for Students of batch 2024** -
   - It must be a *minimum of 12-week course for* **3 Credits** as per tentative curriculum of BEU (Semester - IV & VI).
   - Courses must be aligned with university requirement of NPTEL Course.
   - NPTEL Courses – 1 should not be from Core course of respective branch.
   - NPTEL Courses – 2 should be from core course of the respective branch.
   - Course(s) taken for Mandatory NPTEL must **not be the same course** mentioned in curriculum (*in any semester*).

2. About course data availability in institute Local Chapter -
   - You must select **Yes** in local chapter and *correct college name from the list of colleges*.
   - *While registering for examination* of the course, you must share grade information with the college. (Select **Yes** in local chapter, correct college name from the list of colleges and *sharing of information* with college). Courses not seen in local chapter will not be accepted.
   - It is recommended to submit APAAR ID with NPTEL while enrolling for course and while registering for examination.

All the courses have the following predefined date - Start, End, Enrolment End, Exam Registration End and Exam date. Most of the courses are going to start from 19th Jan 2026. It is recommended to use **only one Gmail** email ID to enrol in multiple NPTEL courses to avoid same examination slot for different courses. Last date for enrolment is 26th Jan 2026.
