Notice

Mandatory NPTEL Courses – Guidelines for B. Tech Students (Batch 2022 Onwards)

As per the new tentative BEU curriculum, mandatory NPTEL courses are prescribed for B.E. students admitted from Batch 2024 onwards.

The guidelines mentioned below shall be strictly adhered to by all students of Batch 2022, 2023, and 2024 onwards, wherever NPTEL courses are applicable.

NPTEL Course Structure (Applicable to Batch 2024 Onwards Only)

Course Type	Short Name	Credits	Minimum Duration	Course Guidelines
NPTEL (Open Course)	NPTEL – I	3	12 Weeks	Course should be taken other than core subjects of the respective branch
NPTEL (Core Course)	NPTEL – II	3	12 Weeks	Course should be taken from core subjects of the respective branch

Guidelines (Applicable to All Batches – 2022 Onwards)

1. The NPTEL course selected must not be the same as any course included in the curriculum of any semester.
2. Verification of the NPTEL course certificate to ensure that the course title is not the same as or closely similar to any curriculum course will be carried out by the respective department.
3. Students must enrol only through the official NPTEL/SWAYAM portals.
4. During enrolment/registration, students must select "Sharing of Information with College" and "Credit Transfer" options on NPTEL portal.
5. AAPAR ID is mandatory and must be filled at the time of course enrolment and during NPTEL exam registration.
6. Credits will be awarded only upon successful completion and certification of the course.
7. Respective departments may notify recommended NPTEL courses, adhering strictly to university guidelines.
8. Enrolment timelines and certificate submission procedures will be notified by the concerned departments.

The above guidelines shall be implemented by the respective departments, and students are advised to adhere to the prescribed procedures.
