Notice

Project-II Progress Seminar – 2022 Batch (VIII Semester) IT

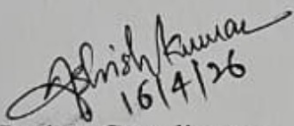

All students of 2022 Batch – VII Semester, Information Technology are informed that the Project-II Progress Seminar is scheduled as per the details below:

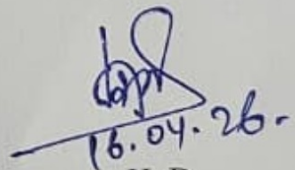

- Date: 20th April 2026
- Time: 10:00 AM onwards
- Venue: IT Lab 1

Students are requested to attend the seminar in person along with their respective team members and come prepared with a PowerPoint presentation (PPT) and a demonstration of the project code.

Physical presence of all team members is required for this seminar. The assessment conducted during this seminar will be considered as part of the Internal Assessment valuation. Students are advised to be punctual, well dressed, and adequately prepared.

This notice is circulated to all Project-II guides for their kind information and necessary guidance to the respective teams.
