MIT MUZAFFARPUR

2026

NEWSLETTER

Muzaffarpur Institute of Technology (MIT), Muzaffarpur, is a premier institution of Eastern India for technical education is under the administrative control of the Department of Science, Technology & Technical Education, Patna and wholly funded by Govt of Bihar. Established in 1954, MIT is one of the oldest technical institutes in india The foundation stone was laid by the first prime minister of India, Pandit Jawaharlal Nehru. The institute has a lush green campus of over 85 acres within the heart of the city, the campus offers a safe and lively environment. Currently, the Institute has 11 UG Programs and 6 PG Programs with total intake capacity of 800+ that is highest in the any government engineering college of the state.

PRINCIPAL MESSAGE :

I am proud and grateful for the achievements that continue to shape our campus. February reflected the dedication, innovation, and collaborative spirit of MIT Muzaffarpur. These efforts empower our students and contribute to the socio-economic development of the region.

I am confident that, with the continued devotion of our faculty, the institute will achieve even greater heights.

Dr. Mithilesh Kumar Jha
Principal, MIT, Muzaffarpur
