Subject: Proposal for Formation of "e-Yantra Club".

Respected Sir,

This is to inform you that the e-Yantra Lab is taking the initiative to form an "e-Yantra Club" in our institution. The objective of this club will be to extend the benefits of the e-Yantra Lab to a larger student community by:

1. Encouraging students to participate in robotics, automation, embedded systems and other projects.
2. Organizing in-house training and competitions related to embedded systems, robotics, IoT, etc.
3. Providing hands-on learning opportunities aligned with the e-Yantra Lab resources.

We have identified a team of student coordinators from various departments who will work under the guidance of the faculty coordinators to manage the club activities. The list of identified student coordinators is as follows:

S. No.	Name of the student	Batch	Branch	Univ. Reg. No.
1	Punit Singh	2K22	ECE	23104107901
2	Priyadarshini Kumari	2K22	ECE	23104107906
3	Vibha Veerangna	2K22	ECE	22104107025
4	Himanshu Raj	2K22	ECE	22104107027
5	Gautam Kumar	2K22	BMR	22117107022
6	Kumar Suraj	2K22	EE	22103107041
7	Aditya Raj	2K22	IT	22106107006

We kindly request your consent and formal approval to establish the e-Yantra Club. We also request you to give a formal approval to team of the students' coordinators under the aegis of the e-Yantra Lab. We look forward to your guidance and support in making this initiative successful.
